Dear Friends,

Thank you for your donation to Housing Forward through the Northern Illinois Conference of The United Methodist Church. We are grateful for your investment in our work to serve individuals and families who are experiencing a financial or housing crisis in our community. Your contribution has real impact and helps us reach our agency goals:

- > To reduce the number of people experiencing homelessness through Emergency Assistance, Prevention, and Shelter Diversion services.
- > To reduce the length of time individuals and families remain homeless AND additional spells of homelessness through our Outreach & Engagement and Aftercare programs.
- > To increase jobs and income growth for people experiencing homelessness or at risk through our Supportive Services and Employment Readiness programs.
- > To increase access to appropriate housing opportunities through our Supportive Housing programs.

Because of you, Housing Forward opens the door to community members experiencing or facing the possibility of homelessness by assisting them toward stability. Thank you.

Sincerely,
